

NI8-M12-OP6L
Inductive proximity switch | 10 cm detection range | 2 m cable

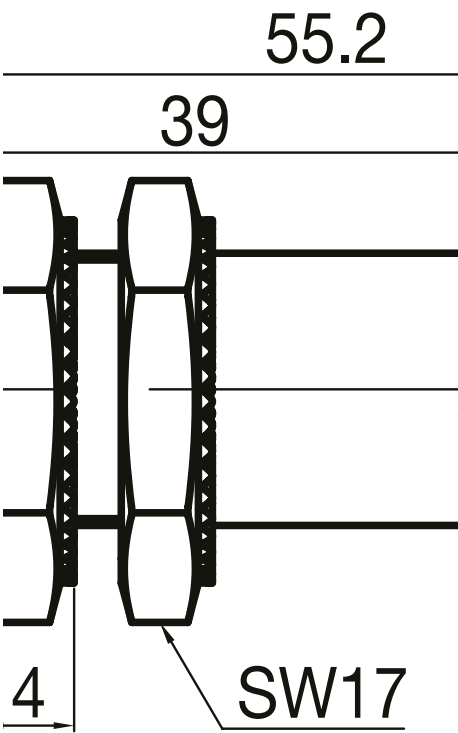

Power supply	
Nominal operating voltage	24 VDC
Operating voltage range	10 ... 30 VDC

Housing and environmental conditions	
Operation temperature	-25 ... 70 °C
Ingress Protection	IP 67
Weight	132 g
Housing material	Brass nickel-plated
Dimensions	fig. 1
