

EU Declaration of Conformity

Manufacturer **ComatReleco AG**
Birchstrasse 24
CH-3186 Düringen, Switzerland

We declare under our sole responsibility that all packaging materials and components – comply with the following requirements:

Annex 1: List of packaging materials and components

I. Article 5 – substances in Packaging:

■ REACH Compliance

The supplied packaging materials comply with the applicable requirements of Regulation (EC) No 1907/2006 (REACH):

- ✓ No substances restricted or prohibited under REACH Annex XVII are intentionally added
- ✓ Substances listed on the REACH Candidate List of Substances of Very High Concern (SVHC) are not present above the applicable notification thresholds or are disclosed in accordance with REACH obligations.

■ Heavy Metals

We confirm that heavy metals, including lead (Pb), cadmium (Cd), mercury (Hg) and hexavalent chromium (Cr VI), are not intentionally added to the supplied packaging materials or packaging components.

Where present as unavoidable trace impurities, their presence complies with applicable EU legislation, including the requirements of the Packaging and Packaging Waste Regulation (PPWR), REACH and related regulatory frameworks. In any case, the sum of these heavy metals does not exceed 100 mg/kg.

II. Other applicable articles of the Regulation (EU) 2025/40 (PPWR)

The requirements set out in Regulation (EU) 2025/40 (PPWR) are subject to phased implementation and, in certain cases, to the adoption of further implementing or delegated acts by the European Commission. Consequently, some requirements are not yet applicable as of the date of this declaration.

Compliance with the applicable requirements will be assessed and confirmed as the relevant provisions become applicable.

This declaration is valid as of the date of signature and remains applicable unless the composition, specification or manufacturing process of the supplied packaging materials changes.

We commit to informing ComatReleco AG promptly of any change that could affect the compliance status of the supplied packaging materials.
